MEMORANDUM FOR ALL OFFERORS

FROM: AEDC/PKM

SUBJECT: AEDC Contract Competition – Competition Technical Library

1. A document in the Competition Technical Library, FM-34 titled "FY 03 Sverdrup Compensation Information" that was provided for information contains an error. The document lists average annual compensation by job title for salary, non-exempt salary, and wage employees. Due to a spreadsheet error, the average annual compensation for wage classifications was overstated by approximately ten percent. However, all of the collective bargaining agreements that are also in the library are correct and not affected by this spreadsheet error.

2. For your information, here is corrected data:

	Job Title	Corrected Data	Erroneous Data
SR1	Laborer	31,824	35,008
SR4	Chief Craftsman	34,382	37,821
SR4	Laborer Leadman	34,327	37,760
SR5	Boilermaker	44,519	48,971
SR5	Inside Machinist	44,210	48,631
SR5	Instrument Tech	44,523	48,976
SR5	Iron Worker	44,531	48,984
SR5	Operating Engineer	44,499	48,949
SR5	Outside Machinist	44,513	48,965

ST6	Electrical Technician Leadman	47,434	52,177

Please note that the data above does not include work assignment pay (see the collective bargaining agreement for details). The document in the Competition Technical Library will be revised.

3. No amendment to the solicitation is necessary. The Source Selection Authority (SSA) will consider the effects (if any) of this incorrect wage classification compensation data in any proposal in determining the competitive range. Offerors who are determined to be within the competitive range may make adjustments to their proposal (if any are needed) during discussions.
